## Summary

Passionate Frontend Developer & Innovative Computer Science Student

Proactive computer science student with a knack for creativity and innovation, currently pursuing studies at Minnesota State University.

Completed one year of intensive coursework in computer science, gaining valuable insights into frontend development and laying a strong foundation for future endeavors.

Eager to embark on a career as a computer programmer in the information technology sector, leveraging my academic knowledge and prior experiences to contribute effectively to innovative projects.

Committed to continuous learning and growth, I am excited to apply my skills and enthusiasm to drive impactful solutions in a dynamic professional environment.

Let's connect and explore opportunities to collaborate and innovate!
